

*From 1st Oct 2013
return any tagged
Brown Crab live &
you could win £1000
worth of Diesel...*

To estimate growth rates of Brown Crab in Northumberland, NIFCA & Newcastle University are running a tagging programme. During April 2013, sized and undersized* Brown Crab will be tagged and released before the main moult season.

From 1st October 2013, if you catch a tagged crab please return the whole crab live with the tag intact to your usual wholesaler.

If you catch a tagged crab before 1st October 2013 please return it to the sea with the tag intact as soon as possible so that it may be re-caught after 1st October 2013.

*...for every tagged crab returned live to your
wholesaler after 1st October 2013 you will receive
one entry into the Diesel raffle*

1st Prize: £600 worth of diesel 2nd & 3rd Prize: £200 worth of diesel

Questions and answers can be found overleaf, but for more information please contact NIFCA on [01670 731399](tel:01670731399) or nifca@nifca.gov.uk

*NIFCA Shellfish Permit holders have permission to land sized & undersized tagged crabs after 1st October 2013. Permission letters will be sent to you later in the year.
