

Defra R&D Data Collection Programme FY2013/2014 for recommended Marine Conservation Zones**1) Survey Completion**

Further to the NTMs issued previously RSS Marine can confirm, on behalf of Cefas, that the multi-beam surveys in the following areas will be completed as of midnight on 31st March 2014. This will complete all surveys for the Data Collection programme 2013/2014.

- 1) **Berwickshire / Coquet to St Mary's Point** – Humber Guardian demobilised / FPV Morven demobilised from midnight 31st March.
- 2) **Silver Pit and Cromer Shoal** – MV Confidante/ RV Discovery demobilised.
- 3) **Bideford to Foreland Point** – Xplorer demobilised
- 4) **Greater Haig Fras / East of Jones Bank** – MV Vigilant demobilised

RSS Marine, on behalf of Cefas, would like to thank all stakeholders for their co-operation during these surveys.
