

Notice to Mariners No 3 / 2016

Blyth Offshore Demonstrator Project

Deployment of Hydrophones

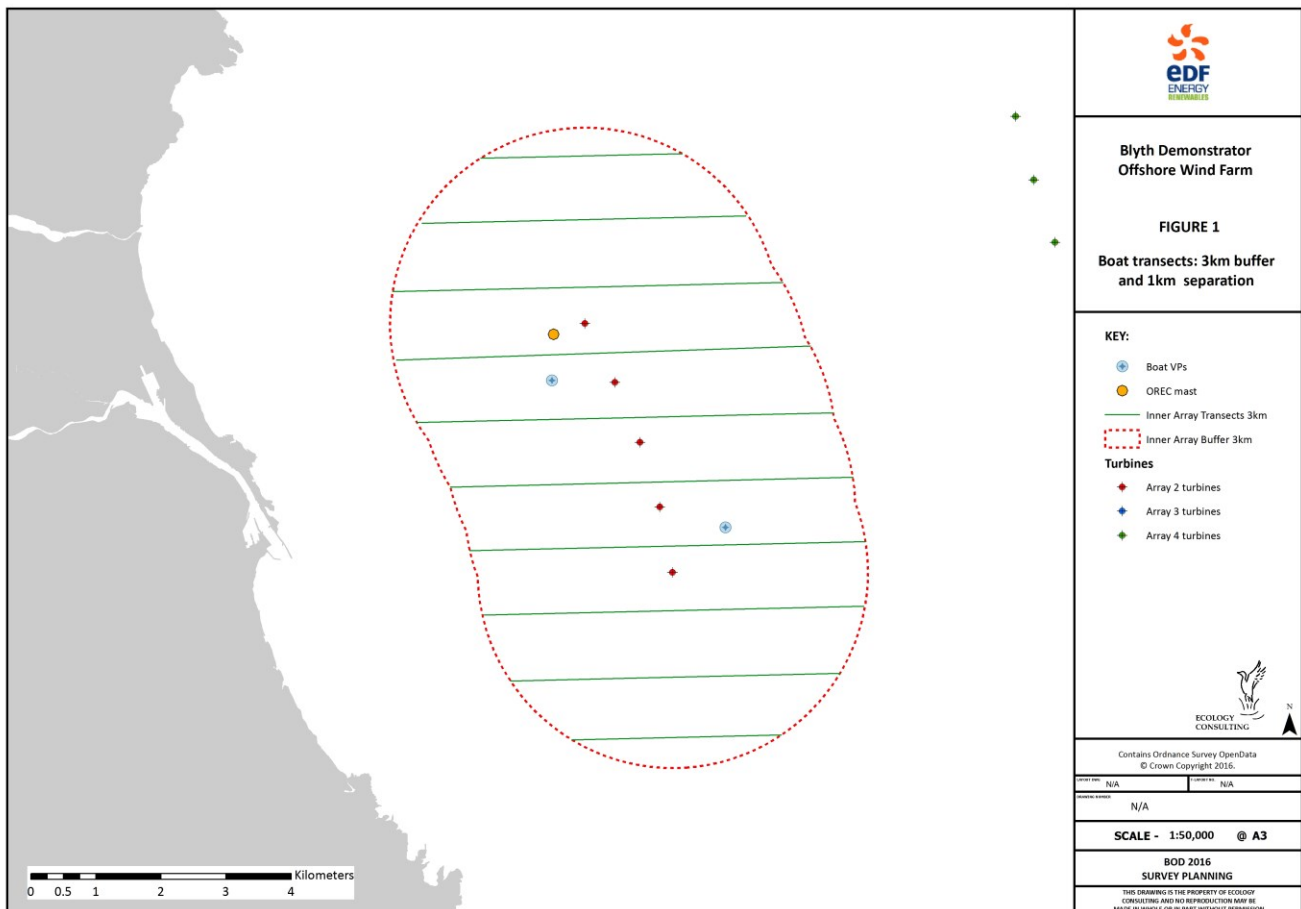

29th February 2016

BOD-101-04-SMC-NTM-00007-A-01

Important Notice to Mariners

Blyth Offshore Demonstration Ltd (BODL) will be conducting bird and marine mammal observation surveys twice a month between March – October 2016. The survey will be conducted using the vessel 'Princess Royal' and will run along pre-determined transects as shown by the green lines on the chart below. In addition to this the vessel will undertake static observations for a period of 90 minutes at two locations marked by blue dots on the chart below (Boat VP's). The survey area is within a 3km buffer of Array 2 which is proposed to be developed by BODL. The first survey is due to commence on the 4th March 2016 weather permitting.
