

NOTICE TO MARINERS - HORNSEA PROJECT ONE Transition piece installation - update

Hornsea Project One – Notice to Mariners Sea Installer. Issued 31/08/2018

1. INTRODUCTION

Hornsea Project One Offshore Wind Farm is located within the UK Sector of the North Sea off the coast of East Yorkshire. Mariners are advised that Hornsea Project One will be continuing with Transition Piece installation using the vessel Sea Installer. TP installation will commence on or about **10/09/2018**.

2. SAFETY

It is requested that anybody having knowledge of any potential objects submerged or moored on the seabed, within the area or operations, that could be damaged or form a hazard to the rock placement vessel and its equipment, advises the Projects Fishing Industry Liaison of their position and nature.

When works commence a listening watch will be maintained on VHF Channel 12 and 16 when within the appropriate port authority area, and will actively transmit an AIS signal. The rock placement vessel will also broadcast at regular daily intervals, vessel position, operational information and intentions.

3. IMMEDIATE CONTACTS

The contents of this notice are based upon our current understanding of Project One requirements. A further notice will be issued with any further updates. Enquiries regarding the contents of this Notice to Mariners or any other matters should be directed to:

GeoSea – Contractor (Sea Installer Vessel)		
Project Manager	Glenn Carton	
Tel: +32 3 250 53 12	Mob: +32 494 80 08 45	E-mail: carton.glenn@deme-group.com

4. FISHERIES LIAISON

Project One Onshore Fisheries Liaison is provided by Nick Garside and Alex Winrow-Giffin and can be contacted on:

Mob: +44 (0) 7538 827 013 Email: nick.garside@live.co.uk
 Mob: +44 (0) 7760 160 039 Email: alex@brownmay.com

5. OPERATIONS

Activities will centre on the Hornsea Project One wind farm offshore wind farm array.

The vessel will be deployed to offshore locations within the offshore wind farm array at times and positions determined by client requirements, weather and sea conditions.

The operations will commence on or about the **10/09/2018**. The exact finish date is dependent on the prevailing weather conditions, vessel downtime and work progress.

The vessel will be undertaking installation of transition pieces and this will restrict its ability to manoeuvre. It will be requested that all vessels operating within the area keep a safe distance (500m) and pass at minimum speed to reduce vessel wash.

Please be advised that GeoSea will be carrying out the operations with the Sea Installer.

Operations will be conducted on a 24 hour basis. Throughout operations the vessels will be displaying the shapes and lights prescribed in the International Rules for the Prevention of Collisions at Sea (COLREGS) Rule 27. Displaying the prescribed shapes and lights when the vessel is restricted in its ability to manoeuvre.

6. VESSELS

TP installation works will be conducted by the vessel **Sea Installer**, whose details are provided below. Contact can be made directly with the vessels using the contact details listed below. Client and contractor contact details are provided in Section 3 of this NTM.

Vessel Contact Details (Sea Installer)	
Inmarsat Bridge	+45 5213 9513
V-Sat Bridge	+44 203 145 4420
Captain	+44 203 145 4421
Email	seainstaller@a2sea.com

General Information (Sea Installer)	
Name	Sea Installer
Flag	Danish
Year Built	2012
IMO Number	9646481
Call Sign	OYPY2
Class	DNV

Dimensions	
Length	132.40 m
Beam	39.00 m
Draught	6.5 m
Gross Tonnage	15966

7. DISTRIBUTION LIST

This NTM will also be distributed to the relevant local MMO offices, local IFCA's NFFO, Rederscentrale, HFIG, Danish Fishermen's Association, EEFPO and VisNed.
