

Notice to Marine Users No 7 / 2016 Teesside Offshore Wind Farm

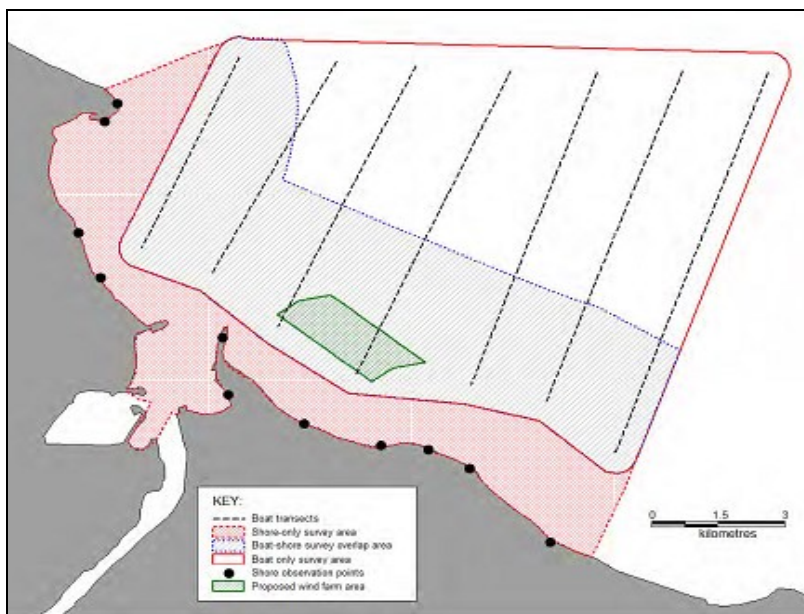

26 September 2016

Important Notice to All Marine Users

Bird Survey Dates 2016/2017 & Turbine Paint Repairs

Monthly bird surveys are planned as part of the ongoing post construction survey programme on the Teesside Offshore Windfarm. The proposed surveys will take place between October 2016 and July 2017 during the 1st week in each month –weather depending.

The bird surveys will be undertaken along standard transects as per surveys conducted throughout 2016 and shown in the picture below.

The vessel conducting the surveys is:

Vessel name – Princess Royal
