

# Notice to Mariners – Hornsea Project Two

## Notice of Completion of Benthic Surveys – Issued 01/05/2020

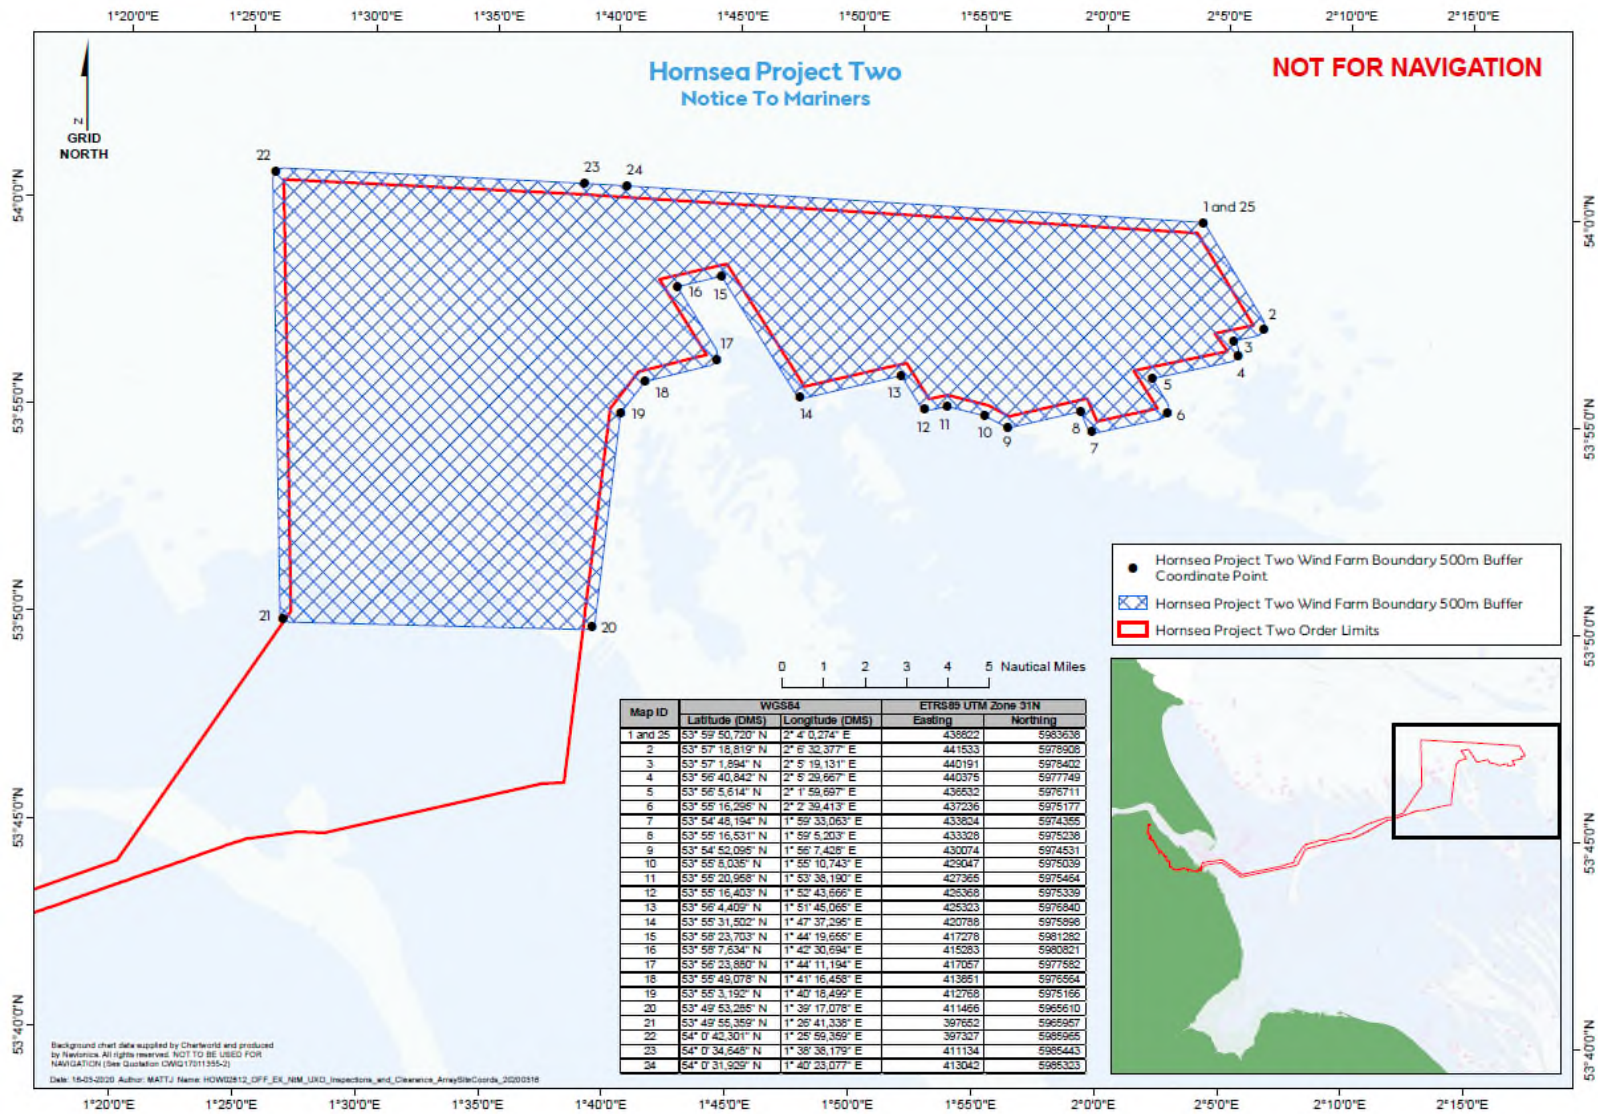

### 1. INTRODUCTION

Mariners are advised that Ørsted has now completed the benthic surveys within the Hornsea Project Two Offshore Wind Farm array.

It should be noted that although this scope of works is complete, other preparatory works for construction of the Hornsea Project Two Offshore Wind Farm are ongoing including surveys, inspections and removal of unexploded ordnance and boulder clearance and trial trenching.

Mariners are advised that MaxSea and Olex plotter files as well as other copies of issued NtMs are available through the Project's Commercial Fisheries Advisors at Brown and May Marine Limited and the Project's onshore fisheries liaison. Contact details are provided in Section 3 of this Notice.
